

# HOPE FOR A BETTER TOMORROW

## THERAPIST ACKNOWLEDGEMENT FORM

---

*Counseling and psychological services are provided by Hope for a Better Tomorrow professional staff or graduate interns. All staff therapists hold a master's or doctoral degree with competencies in counseling or mental health disciplines and most are licensed or license-eligible in Wisconsin as mental health professionals.*

*License-eligible therapists hold an "in-training" license in the State of Wisconsin and are working toward completing their supervised hours commitment before obtaining the full State of Wisconsin license. License-eligible therapists receive additional supervised training by senior Hope for a Better Tomorrow staff.*

*Interns are graduate students who are enrolled in or have completed graduate coursework in counseling and are receiving additional supervised training by senior Hope for a Better Tomorrow counseling staff through arrangements with the interns' universities. All therapists adhere to statutes of the State of Wisconsin and the Ethical Principles of the American Counseling Association and/or other relevant professional code of ethics.*
